

# SUMMER PROGRAMMING 2010

**JULY 5-9**  
Ages 8-12  
\$150/week

**ANIMATION  
CREATION!**

Work on your very own stop motion animation film! This popular summer camp shows kids how to work with clay and other recycled materials to make their very own movie! Classes run 10am-4pm each day.

**JULY 19-23**  
Ages 14-18  
\$140/week

**SPEED  
DOC**

Reel Stories, Real Fast. Learn how to tell your story through the lens of a camera in 3-5 minutes.

Students will learn from industry professionals and their work may be featured in an upcoming Documentary Festival!

Classes run 10am-4pm

**JULY 10-11 &  
17-18**  
Ages 19+  
\$150/2 weekends

**SPEED  
DOC**

The Adult component of the Speed Doc workshops, participants will make a short 3-5 minute film while working with industry pros. Selected works may be screened at the upcoming DocNorth Film Festival in 2011.

Classes run 10am-4pm each day

**JULY 26-30**  
Ages 10-14  
\$150/week

**FILMMAKING BOOTCAMP**

Calling all James Camerons in the making! This 'pseudo-military' style week long workshop will teach students how to develop a great idea into a 3-5 minute film. We will work with your own ideas and concepts and give you the knowledge to make it a reality! Classes run from 10am-4pm daily
